

**SCLERODERMA CLINICAL TRIAL CONSORTIUM**  
**2020 Request for Grant Applications for Proposals to Advance**  
**the Objectives of the SCTC Working Groups**

**PURPOSE:** The purpose of the 2020 SCTC Working Group Research Grants is to provide support for projects that advance the mission of the SCTC and specifically to enhance the productivity of current or new Working Groups. Applicants must be from SCTC member institutions whose membership is current and in good standing at the time of application.

**FUNDING LEVEL:** A maximum of four awards of up to \$15,000 (USD) for a one-year period are anticipated. There is an opportunity for continued funding for each awardee based on merit and depending on availability of funds. The awardee is expected to provide a progress report nine months after the initial award date. Those groups who do not provide a progress report will not be eligible to apply for continued funding.

**COSTS:** This award is meant to support the actual project and no indirect costs are permitted.

**SUBMISSION DEADLINE:** The deadline for receipt of the application is midnight (U.S. Eastern Time) on May 1, 2020.

**REVIEW AND RANKING OF THE APPLICATIONS** will be done by the Scientific Research Committee in May 2020 and the decision to fund individual projects will be made by the Executive Committee by June 15, 2020. Funding would begin July 1, 2020. The Executive Committee reserves the option of not funding any applications if none meet the standards and expectations set; furthermore, the Committee may seek clarification from applicants and may fund portions of the proposals.

**CRITERIA FOR FUNDING:** Projects will be judged based on scientific merit, contribution to the mission of the SCTC as stated on the website (<https://sclerodermaclinicaltrialsconsortium.org/index.php>), feasibility, budgetary factors, and the extent of collaborative effort. Applicants are strongly encouraged to be inclusive in participation of centers and junior investigators.

**INSTRUCTIONS FOR PREPARING THE APPLICATION:** Applications should use Arial font, 11-point type, single-spaced with ½ inch margins, and follow the following format:

Title page including the application title, Principal Investigator, Institution, amount of funding requested, name and address of institutional official who would process grant.

Key Personnel page (including collaborating investigators) listing positions and institutions.

Budget and budget justification

Biosketch of Principal Investigator and key personnel in NIH format

Body of grant: This portion of the application cannot exceed 3 pages and must include a project summary, specific aims, and the approach to accomplish these aims. Applicants are encouraged to include a plan for continued funding after the one-year period ends. Applications are strongly encouraged to specifically include the involvement of trainees or junior faculty investigators and detail the exact roles on the project and anticipated credit/authorship of the trainees/junior investigators. Similarly, collaborative/multicenter projects will be favored.

Letters of support/agreement from collaborating investigators, if applicable.

**SUBMISSION PROCESS:** Proposals should be collated in the proper order, converted to a single PDF document, and submitted to Ms. Adara Borys by e-mail ([sctcinc01@gmail.com](mailto:sctcinc01@gmail.com)).
